## Child supplement

Please answer these questions in relation to the last quarter for child household members. If there has been a new child(ren) in the home, respond related to how the changes pertain to the new child(ren) or discharge of a child(ren) in the home and the effect on the children in the home. If there have not been any new children, please respond accordingly by discussing the family dynamic in general.

### *development of family through foster care*

**1** How do you believe the family has functioned (interactions and relationships within the family, particularly levels of conflict and cohesion, adaptability, organization, and quality of communication) with a new child(ren) or departure of a child(ren) from your home?

**2** Has the way your family shows affection changed with the addition or departure of a child(ren) from your home? If so, in what way?
