

# THE PARENT ADVISORY COLLABORATIVE NEEDS YOU!

**We are seeking parents, their family members or community partners to join our Parent Advisory Collaborative (PAC).**

Eligible applicants are:

- Parent or caregiver who had previous involvement with the child protection system and currently does not have an active case at the time of application..
- Must be able to participate in quarterly meetings and review materials beforehand in preparation.
- Willing to commit to serve on the Parent Advisory Collaborative for three years.
- Focused on solutions, open-minded and forward looking.
- Would like to use their voice to positively impact community by focusing on solutions.

## Board mission

To provide the voice of parents interested in community prevention and development of best practices and training within DCS. To provide input to DCS and the community to support the development of services and systems that are delivered with compassion and respect for families, and their culture; in a manner that encourages individual and family involvement.
