**DEPARTMENT OF CHILD SAFETY
MONTHLY STAFFING REPORT
OCTOBER 2014**

Pursuant to Laws 2014, Chapter 4, the Department of Child Safety developed a monthly report on the Department's progress in hiring child safety staff. Staffing numbers captured in this report reflect information as of the final day of the month. Due to delays in processing, final numbers may be different in subsequent reports.

In FY 2014 supplemental appropriations and in the FY 2015 budget, the Legislature and Governor approved the addition of 212 new caseworkers and 120 supporting positions (supervisors, case aides and support staff). These additional 212 caseworkers brought the total number of authorized Specialist positions to 1,406. At the end of January, the Department had 1,190 filled Specialist positions (caseworkers and intake staff) and 130 unfilled Specialist positions. As of October 31, the Department had 1,408 filled Specialist positions. Hiring details for the Specialist positions are shown in *Table 1*.

The Department will continue its hiring efforts to keep up with attrition. With the new appropriated staff, the Department has created 22 new units in Maricopa County and 8 new units in Tucson.

The Department is continuing to recruit and hire the 120 non-caseworker positions. All Assistant Program Manager and Unit Supervisor positions have been filled. In addition, including accepted offers, the Department has filled 285 of 295 total Case Aide positions. Interviews are continuing to fill the remaining Case Aide positions as well as the other support staff positions.
