**DEPARTMENT OF CHILD SAFETY  
MONTHLY STAFFING REPORT  
FEBRUARY 2015**

*Pursuant to Laws 2014, Chapter 4, the Department of Child Safety developed a monthly report on the Department's progress in hiring child safety staff. Staffing numbers captured in this report reflect information as of the final day of the month. Due to delays in processing, final numbers may be different in subsequent reports.*

In FY 2014 supplemental appropriations and in the FY 2015 budget, the Legislature and Governor approved the addition of 212 new caseworkers and 120 supporting positions (supervisors, case aides and support staff). These additional 212 caseworkers brought the total number of authorized Specialist positions to 1,406. At the end of January 2014, the Department had 1,190 filled Specialist positions (Case Specialists and intake staff) and 130 unfilled Specialist positions. As of February 28, 2015, the Department had filled 1,396 Specialist positions including new staff that have been hired but have not yet begun training. Hiring details for the Specialist positions are shown in *Table 1*. The number of active, case-carrying specialists is up to 1,060, which is the highest it has ever been.

The Department will continue its hiring efforts to keep up with attrition. With the new appropriated staff, the Department has created 22 new units in Maricopa County and 8 new units in Tucson.

All Assistant Program Manager and Unit Supervisor positions have been filled. In addition, 286 of the 295 authorized case aide positions are currently filled. With the hiring freeze in effect, the Department is carefully considering which remaining support positions to fill.
