DEPARTMENT OF CHILD SAFETY
MONTHLY STAFFING REPORT
September 2016

Pursuant to Laws 2015, Chapter 117, Section 24 requires the Department of Child Safety to issue a monthly report on the Department's new hires and separations. Staffing numbers captured in this report reflect information as of the final day of the month. Due to delays in processing, final numbers may be different in subsequent reports.

As required, the Department has provided the required data from January 2016 until August 2016, for the month of September 2016. It is the objective of the Department to produce a report that not only provides the legislatively required information but in a manner that is consumable to all readers. With this objective in mind, the Department is open to input to improve this report.

Data Descriptions and Assumptions

- The appropriated numbers for administrative positions (Table 2: non-case specialists) have been updated to reflect changes made for FY 2017.
- New Hires are defined as employees “new to DCS” which excludes internal transfers, demotions, or promotions.
- Separations are defined as any employee separation from DCS. This includes all voluntary and involuntary separation, as well as interagency transfers.
- Effective May 2016, the Contracts Office and the Procurement Office were combined to make the Office of Procurement and Contracts.
- All data and calculations were extracted from the Human Resources Information Solution (HRIS), employees in “Future Hire” status were omitted in all counts.

Hiring details for the Specialist positions are shown in *Table 1*.
