## DEPARTMENT OF CHILD SAFETY MONTHLY STAFFING REPORT July 2017

*Pursuant to Laws 2015, Chapter 117, Section 24 requires the Department of Child Safety to issue a monthly report on the Department's new hires and separations. Staffing numbers captured in this report reflect information as of the final day of the month. Due to delays in processing, final numbers may be different in subsequent reports.*

As required, the Department has provided the required data from January 2016 until June 2017, for the month of July 2017. It is the objective of the Department to produce a report that not only provides the legislatively required information but in a manner that is consumable to all readers. With this objective in mind, the Department is open to input to improve this report.

### Data Descriptions and Assumptions

- New Hires are defined as employees “new to DCS” which excludes internal transfers, demotions, or promotions.
- Separations are defined as any employee separation from DCS. This includes all voluntary and involuntary separation, as well as interagency transfers.
- Data and calculations were extracted from the Human Resources Information Solution (HRIS). Employees in “Future Hire” status were omitted.
- Beginning June 2017, Table 1 was revised to reflect “Total Turnovers” which include voluntary and involuntary separations as well as promotions and transfers by DCS Specialists to other positions within the Department. This more accurately describes changes in filled Specialist positions.
- The Child Welfare Training Institute (CWTI) was recently merged into Human Resources (HR), in part, to improve the new employee onboarding experience. CWTI and Communications staff were previously reported in Other Field Support in Field Operations. CWTI is now captured in HR and Communications as a separate line in Central Administration.
- Data for May and June contain key changes. The Foster Care Support unit was created to improve support provided to foster caregivers and manage bed capacity and availability. A number of staff previously reported in Child Safety Support Administration are now captured in Foster Care Support.

**Table 1** provides hiring details for the Specialist positions. This Table represents the number of Filled FTE in the following categories: *Case-Carrying Specialists, Specialist in Training, and Intake Positions.*
