

Department of Child Safety Court Authorized Removal Update

April 5, 2019

First Quarter SFY '19

- Total removals: **2,394**
- Court Authorized Removals (CAR) requested:
 - **979** CAR applications submitted
 - **1,546** children*
- Outcomes
 - **1,444** authorizations (children)
 - **38** denials (children) (2.5%)
 - **44** applications cancelled by Department
 - **35** in “more information” status (point in time)
- **60 %** is the ratio (expressed as a percentage) of the overall removals versus children approved by a CAR.

*The number of children on a CAR application compared to the number of children who were authorized and denied will not equal as some may be duplicated due to multiple CAR applications, cancelled or still in more information status.

Second Quarter SFY '19

- Total removals: **2,265**
- Court Authorized Removals requested:
 - **949** CAR applications submitted
 - **1,510** children*
- Outcomes
 - **1,417** authorizations (children)
 - **21** denials (children) (1.4%)
 - **30** applications cancelled by Department
 - **194** were in “more information” status at some point during the process**
- **63 %** is the ratio (expressed as a percentage) of the overall removals versus children approved by a CAR.

*The number of children on a CAR application compared to the number of children who were authorized and denied will not equal as some may be duplicated due to multiple CAR applications, cancelled or still in more information status.

** Data for the second quarter is updated to reflect a change from an CAR application being in more information status at a point in time to how many applications were ever in more information status during the period.

Third Quarter SFY 2019

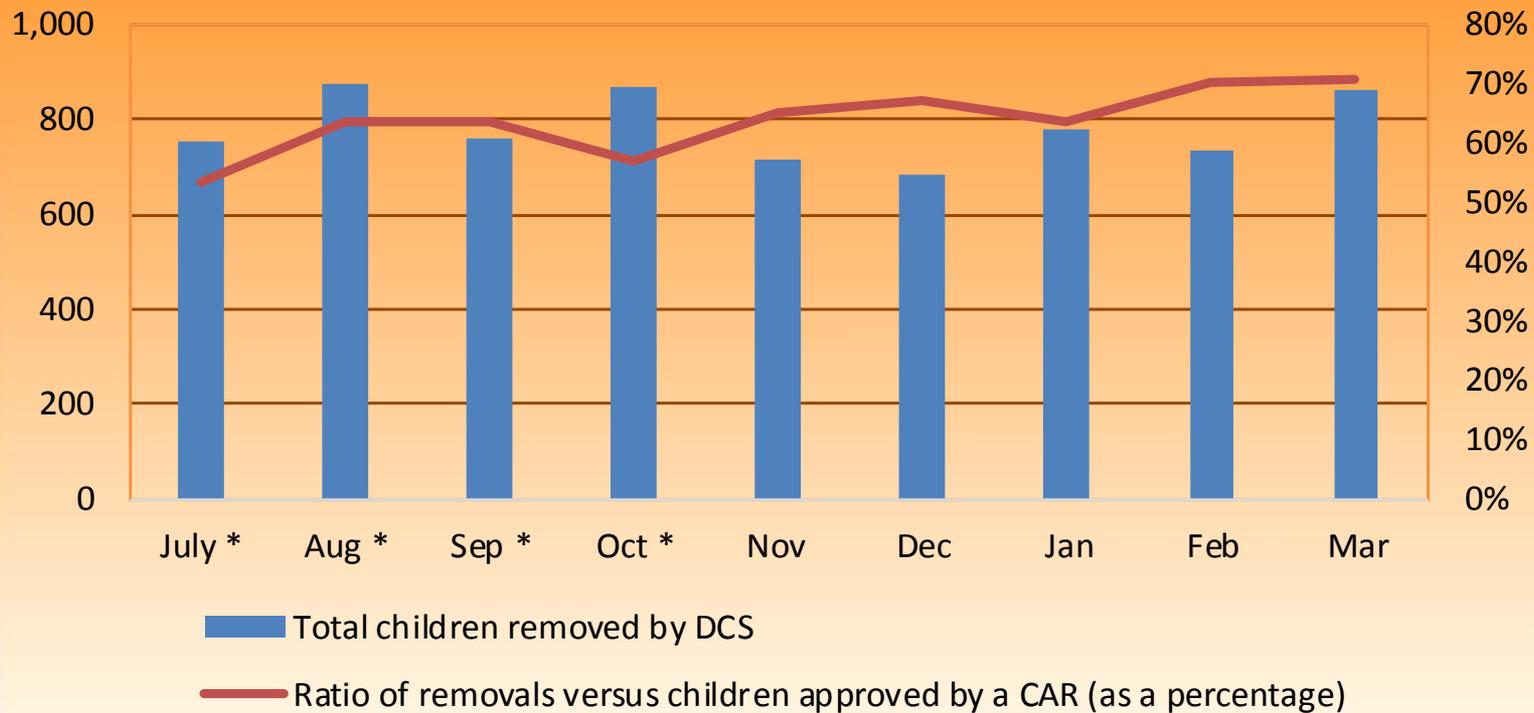

- Total removals: **2,374**
- Court Authorized Removals requested:
 - **988** CAR applications submitted
 - **1,675** children*
- Outcomes
 - **1,621** authorizations (children)
 - **14** denials (children) (0.8%)
 - **23** applications cancelled by Department
 - **210** were in “more information” status at some point during process
 - **68 %** is the ratio (expressed as a percentage) of the overall removals versus children approved by a CAR.

*The number of children on a CAR application compared to the number of children who were authorized and denied will not equal as some may be duplicated due to multiple CAR applications, cancelled or still in more information status.
