

## Behavioral Health Services for Children in Out-of-Home Care

Arizona Health Care Cost Containment System (AHCCCS) is committed to ensuring the availability of timely, quality health care for children in out-of-home placement and adopted children through AHCCCS' three contracted Regional Behavioral Health Authorities (RBHAs) and the Children's Rehabilitative Services Program (CRS). If you experience any difficulty accessing needed behavioral health services or have any concerns regarding the quality of those services, we encourage you to contact the RBHA in your area or CRS using the contact information below.
