

Summary Report	Fatality	10/19/17
-----------------------	-----------------	-----------------

1. Victim: Raiden Columbus – age 23 months-male

2. Was the child residing in the child's home or in an out-of-home placement at the time of the fatality?

The child was residing in his home when the following incident occurred:

On August 18, 2017, the Department of Child Safety received a report regarding 23 month old Raiden Columbus who was brought to the hospital with a head injury. Raiden passed away due to the injury. The mother's significant other, Jess Anaya, was arrested and charged with first degree murder.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

No services were being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

DCS received the following report involving Jess Anaya as a perpetrator:

On March 12, 2012, a report was received alleging neglect of another child by Jess Anaya. The allegations were unsubstantiated. The family was provided with information on services available in the community and the case was closed on May 29, 2012.

DCS received the following report involving the victim and the mother as a perpetrator:

On October 1, 2015, a report was received alleging neglect of Raiden by the mother. The allegations of neglect were substantiated. The family was provided with information on services available in the community and the case was closed on February 19, 2016.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the fatality:

The investigation into the fatality resulted in a report being made on August 23, 2017, alleging neglect of other children by Jess Anaya. The allegations of neglect were unsubstantiated. The family was provided with information on services available in the community and the case was closed on October 7, 2017.

4. If the victim in the Preliminary Report involved a child residing in an out-of-home placement, the following information will be provided:

a. Licensing Agency:

N/A

b. Licensing history of the out-of-home placement, including the type of license held by the operator of the placement and the period for which the placement has been licensed:

N/A

c. Summary of all violations by the licensee:

N/A

d. Any other actions by the licensee or an employee of the licensee that constitute a substantial failure to protect and promote the health, safety and welfare of a child.

N/A

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department completed a joint investigation with the Globe Police Department which resulted in the arrest of Jess Anaya for murder.

Additionally, in accordance with the DCS Strategic Plan for State Fiscal Year 2016 (FY16), multidisciplinary team (MDT) reviews of fatality and near fatality cases were implemented during the first quarter of FY16. The MDT reviews of fatality and near fatality cases, especially those with prior DCS involvement, are a key feature of the Strategic Plan and support the objective of increasing the accuracy of safety and risk assessments in investigations.

This case was reviewed by the MDT in order to identify any systemic factors, both internal and external to the Department that may have had an impact. The Department is using the aggregate data gathered through all of the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules or statutes. Findings from these reviews will be compiled into an annual report to be shared on the DCS website. The target date for release of this report is December 1, 2017.
