

Summary Report	Fatality	07/20/17
-----------------------	-----------------	-----------------

1. Victim: Mary Diaz-five month old female

2. Was the child residing in the child's home or in an out-of-home placement at the time of the fatality?

The child was residing in her home when the following incident occurred:

On June 9, 2017, the Department of Child Safety received a report regarding five month old, Mary Diaz, who did not have a heartbeat upon arrival to the hospital. On June 10, 2017, the victim's mother, Amber Sagarnaga, was arrested for the murder of the victim.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

No services were being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

The following reports involved Amber Sagarnaga as a perpetrator:

On October 26, 2015, the Department received a report alleging neglect of the victim's sibling by the mother. The Department substantiated the allegation of neglect. The family successfully completed in-home services provided by the Department and the case was closed on September 20, 2016.

On December 16, 2016, the Department received a report alleging neglect of the victim by the mother. The Department unsubstantiated the allegation of neglect. The family declined services provided by the Department and was provided information for resources in the community. The Department closed the case on December 23, 2016.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the fatality:

The investigation resulted in the removal of the victim's siblings from the home. The Department filed a dependency petition in Maricopa County Superior Court and is providing services to the family. There have been no subsequent reports of abuse or neglect received at the Hotline.

4. If the victim in the Preliminary Report involved a child residing in an out-of-home placement, the following information will be provided:

a. Licensing Agency:

N/A

b. Licensing history of the out-of-home placement, including the type of license held by the operator of the placement and the period for which the placement has been licensed:

N/A

c. Summary of all violations by the licensee:

N/A

d. Any other actions by the licensee or an employee of the licensee that constitute a substantial failure to protect and promote the health, safety and welfare of a child.

N/A

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with Glendale Police Department. The investigation resulted in the arrest of victim's mother, Amber Sagarnaga. The victim's siblings were removed from the home and the Department filed a dependency petition in Maricopa County Superior Court.

Additionally, in accordance with the DCS Strategic Plan for State Fiscal Year 2016 (FY16), multidisciplinary team (MDT) reviews of fatality and near fatality cases were implemented during the first quarter of FY16. The MDT reviews of fatality and near fatality cases, especially those with prior DCS involvement, are a key feature of the Strategic Plan and support the objective of increasing the accuracy of safety and risk assessments in investigations.

This case was reviewed by the MDT in order to identify any systemic factors, both internal and external to the Department that may have had an impact. The Department is using the aggregate data gathered through all of the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules or statutes. Findings from these reviews will be compiled into an annual report to be shared on the DCS website. The target date for release of this report is December 1, 2017.
