

Summary Report	Fatality	06/13/2022
-----------------------	-----------------	-------------------

1. Victim: Harvey Adams – 1-year-old male

2. Was the child residing in the child's home or in an out-of-home placement at the time of the fatality?

The child was residing in his home when the following incident occurred:

On April 9, 2021, the Department of Child Safety received a report regarding 1-year-old Harvey Adams who had been found in his home, unresponsive. Harvey was pronounced deceased and the autopsy determined his cause of death was due to fentanyl toxicity. A dependency petition was filed with the Maricopa County Superior Court on April 27, 2021, regarding the sibling. On September 27, 2021, the Court terminated Tammy Lou Adam's parental rights and found the mother's neglect contributed to Harvey's death.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

There were no services being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

DCS received the following prior reports involving Tammy Lou Adams and/or Harvey Adams:

On July 16, 2016, a report was received alleging neglect to a child by Tammy Lou Adams. After the mother completed in-home services, the case was closed and the allegation of neglect was substantiated.

On May 21, 2019, a report was received alleging neglect to Harvey by Tammy Lou Adams. The investigation did not find evidence of neglect and the case was closed. The allegation was unsubstantiated.

On October 11, 2019, a report was received alleging neglect to Harvey and another child by Tammy Lou Adams. The mother did not cooperate with the investigation and there was not enough evidence to support the allegations. The allegations were unsubstantiated and the case was closed.

On May 29, 2020, a report was received alleging neglect to Harvey and another child by Tammy Lou Adams. The family was unable to be located and the case was closed.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the fatality:

The investigation of the fatality report resulted in the sibling being placed with a relative. A dependency petition was filed with the Maricopa County Superior Court on April 27, 2021, regarding the sibling. The Department provided services to the family. On September 27, 2021, the Court terminated Tammy Lou Adam's parental rights and found the mother's neglect contributed to Harvey's death. There have been no subsequent reports of abuse or neglect received regarding the family.

4. If the victim in the Preliminary Report involved a child residing in an out-of-home placement, the following information will be provided:

a. Licensing Agency:

N/A

b. Licensing history of the out-of-home placement, including the type of license held by the operator of the placement and the period for which the placement has been licensed:

N/A

c. Summary of all violations by the licensee:

N/A

d. Any other actions by the licensee or an employee of the licensee that constitute a substantial failure to protect and promote the health, safety and welfare of a child.

N/A

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with the Maricopa County Sheriff's Office. The sibling was removed and placed with a relative. A dependency petition was filed with the Maricopa County Superior Court on April 27, 2021, regarding the sibling. The Department provided services to the family. On September 27, 2021, the Court terminated Tammy Lou Adam's parental rights and found the mother's neglect contributed to Harvey's death. There have been no subsequent reports of abuse or neglect received regarding the family.

Additionally, in accordance with the DCS Strategic Plan for State Fiscal Year 2016 (FY16), multidisciplinary team (MDT) reviews of fatality and near fatality cases were implemented during the first quarter of FY16. The MDT reviews of fatality and near fatality cases, especially those with prior DCS involvement, are a key feature of the Strategic Plan and support the objective of increasing the accuracy of safety and risk assessments in investigations.

Cases are reviewed by the MDT in order to identify any systemic factors, both internal and external to the Department that may have had an impact. The Department uses the aggregate data gathered through all of the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules or statutes. Findings from these reviews are compiled into an annual report to be shared on the DCS website. The target date for release of the next report is December 1, 2021.
