

<b>Summary Report</b>	<b>Near Fatality</b>	<b>7/9/21</b>
-----------------------	----------------------	---------------

**1. Victim:** 1-year-old female

**2. Was the child residing in the child's home or in an out-of-home placement at the time of the near fatality?**

The child was residing in her home when the following incident occurred:

On October 29, 2020, the Department of Child Safety received a report regarding a 1-year-old child who was taken to the hospital after ingesting fentanyl in her home. Upon examination, the child was determined to be in critical condition. The Department removed the child and her siblings. The Department filed a dependency petition with the Maricopa County Superior Court on November 3, 2020. On March 16, 2021 the court granted the dependency petition and the Department substantiated the allegations of neglect as to the mother, Jaquoya Staples.

**3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:**

**a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:**

There were no services being provided to the family by the Department of Child Safety at the time of the incident.

**b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?**

No.

**c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:**

DCS received the following prior reports involving the mother, Jaquoya Staples, the father, and/or the near fatality victim:

On September 30, 2016, a report was received alleging neglect to three children by Jaquoya Staples. The family was referred for in-home services, however, after a safety plan was violated, the Department removed the children and filed a dependency petition on January 13, 2017.

On May 3, 2018, a report was received alleging neglect to a child by Jaquoya Staples. The allegation was substantiated and the family continued to participate in services through the open dependency case. The dependency was dismissed on December 14, 2018, after the mother completed services.

On March 24, 2019, a report was received alleging neglect to the near fatality victim by Jaquoya Staples. The allegation was substantiated and the Department filed an in-home dependency petition for the five children.

On December 18, 2019, a report was received alleging neglect and physical abuse to the children by Jaquoya Staples. The allegations were unsubstantiated and the family continued participating in in-home services. The dependency was dismissed by the Maricopa County Superior Court on October 14, 2020.

**d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the near fatality:**

The investigation of the near fatality report resulted in the children being placed in licensed foster care. The Department filed a dependency petition with the Maricopa County Superior Court on November 3, 2020. On March 16, 2021 the court granted the dependency petition and the Department substantiated the allegations of neglect as to the mother, Jaquoya Staples. There were no subsequent reports of abuse or neglect received involving this family.

**4. If the victim in the Preliminary Report involved a child residing in an out-of-home placement, the following information will be provided:**

**a. Licensing Agency:**

N/A

**b. Licensing history of the out-of-home placement, including the type of license held by the operator of the placement and the period for which the placement has been licensed:**

the first quarter of FY16. The MDT reviews of fatality and near fatality cases, especially those with prior DCS involvement, are a key feature of the Strategic Plan and support the objective of increasing the accuracy of safety and risk assessments in investigations.

This case was reviewed by the MDT in order to identify any systemic factors, both internal and external to the Department that may have had an impact. The Department is using the aggregate data gathered through all of the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules or statutes. Findings from these reviews will be compiled into an annual report to be shared on the DCS website. The target date for release of this report is December 1, 2021.
