

Summary Report	Near Fatality	09/12/2022
-----------------------	----------------------	-------------------

1. Victim: 2-month-old-female

2. Was the child residing in the child's home or in an out-of-home placement at the time of the near fatality?

The child was residing in her home when the following incident occurred:

On January 18, 2022, the Department of Child Safety received a report regarding a 2-month-old child who was taken to the hospital after being found unresponsive at home. Upon examination, the child was determined to be in critical condition with brain and head injuries. The sibling was taken into DCS custody and placed with a relative. Upon release from the hospital, the near fatality victim was placed in a licensed foster home. On January 25, 2022, the Department filed a dependency petition with the Pima County Superior Court. On May 9, 2022, the court ruled the parents, Gabriela Grijalva and Gustavo Gastelum, physically abused or failed to protect the near fatality victim from physical abuse.

3. If the victim in the Preliminary Report involved a child residing in the child's home, the following information will be provided:

a. Services being provided to the child, a member of the child's family or the person suspected of the abuse or neglect at the time of the incident and the date of the last contact before the incident between the entity providing services and the person receiving services:

There were no services being provided to the family by the Department of Child Safety at the time of the incident.

b. Was the child, a member of the child's family or the person suspected of the abuse or neglect the subject of a report for investigation at the time of the incident?

No.

c. All involvement of the child's parents and of the person suspected of the abuse or neglect in a situation for which a report for investigation was made or in services provided pursuant to this chapter in the five years preceding the incident:

There has been no prior DCS reports involving Gabriela Grijalva, Gustavo Gastelum and/or the near fatality victim.

d. Any investigation pursuant to a report for investigation concerning the child, a member of the child's family or the person suspected of the abuse or neglect or services provided to the child or the child's family since the date of the incident involving the near fatality:

The investigation of the near fatality report resulted in the child being placed in licensed foster care after her release from the hospital. The sibling was placed with relatives. The Department filed a dependency petition with the Pima County Superior Court on January 25, 2022. The family is being provided with services. On May 9, 2022, the court ruled the parents, Gabriela Grijalva and Gustavo

Gastelum, physically abused or failed to protect the near fatality victim from physical abuse. There have been no subsequent reports of abuse or neglect receiving involving this family.

5. Actions taken by the Department in response to the case including any changes to policy or practice and/or recommendations for further changes in policies, practices, rules or statutes:

The Department conducted a joint investigation with the Pima County Sheriff's Office. Upon release from the hospital, the near fatality victim was placed in a foster home. The sibling was placed with relatives. The Department filed a dependency petition with the Pima County Superior Court on January 25, 2022. The family is being provided with services. On May 9, 2022, the court ruled the parents, Gabriela Grijalva and Gustavo Gastelum, physically abused or failed to protect the near fatality victim from physical abuse. There have been no subsequent reports of abuse or neglect receiving involving this family.

Additionally, in accordance with the DCS Strategic Plan for State Fiscal Year 2016 (FY16), multidisciplinary team (MDT) reviews of fatality and near fatality cases were implemented during the first quarter of FY16. The MDT reviews fatality and near fatality cases with prior DCS involvement, which are a key feature of the Strategic Plan and supports the objective of increasing the accuracy of safety and risk assessments in investigations.

Cases are reviewed by the MDT in order to identify any systemic factors, both internal and external to the Department that may have had an impact. The Department is using the aggregate data gathered through all of the MDT reviews to assess and guide future changes and/or recommendations to policies, practices, rules or statutes. Findings from these reviews will be compiled into an annual report to be shared on the DCS website. The target date for release of this report is December 1, 2022.
