Five-Year-Review Report

Title 21. Child Safety

Chapter 5. Department of Child Safety - Permanency and Support services Article 1. Interstate Compact on the Placement of Children February 2020

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. §§ 8-548 through 8-548.06, and A.R.S. § 8-453 (A)(9)(a)

2. The objective of each rule:

Rule	Objective
R21-5-101.	The objective of this rule is to provide a uniform set of definitions used throughout this
Definitions	Article.
R21-5-102.	The objective of this rule is to provide the statutory authority for the rules in this Article.
Authority	
R21-5-103.	The objective of this rule is to clearly state who and when someone can place a child in
Conditions of	another Compact State.
Placement	
R21-5-104.	The objective of this rule is to establish who is financially responsible for a child sent to
Financial	another state.
Responsibility	
R21-5-105.	The objective of this rule is to indicate when ICPC applies and when ICPC does not
Applicability	apply.
R21-5-106.	The objective of this rule is to establish the requirement for approval from both states
Placement	before placing children across state lines.
Approval	
R21-5-107.	The objective of this rule is to establish that services are provided in accordance with
Operations	federal and state law and indicate that interpreters will be made available.

3.	Are the rules effective in achieving their objectives?	Yes _ <u>X</u>	No
4.	Are the rules consistent with other rules and statutes?	Yes X	No
5.	Are the rules enforced as written?	Yes X	No

6. Are the rules clear, concise, and understandable?

Yes <u>X</u> No ___

7. Has the agency received written criticisms of the rules within the last five years?

Yes ____

No _X_

8. <u>Economic, small business, and consumer impact comparison:</u>

The rules in Title 21, Chapter 5, Article 1 cover the Interstate Compact on the Placement of Children (ICPC). ICPC is a contract between and among the 50 states, District of Columbia, and the Virgin Islands, which provides standard national procedures to ensure suitable placement and supervision for children placed across state lines. Additionally, ICPC ensures that the individual or entity placing the child remains legally and financially responsible for the child following placement.

Four types of placements are covered:

- 1. Placements preliminary to an adoption;
- 2. Placements into foster care; including foster homes, group homes, and residential treatment facilities;
- 3. Placement with parents and relatives with court oversight; and
- 4. Placements of adjudicated delinquents into institutions in other states.

The persons directly affected by, bear the costs of, or directly benefit from the rules in this Article include children in out-of-home care or adoptive children who need to be placed across state line for permanency or placed in another state in a residential treatment facility, DCS, and other compact states. When children in foster care, adoptive children, and children requiring placement in a residential treatment facilities require placement in a state other than their state jurisdiction, placement must be approved by the ICPC.

During State Fiscal Year 2018, there were approximately 2700 children served by the Department's ICPC Program. Approximately 55% of the children are children who leave Arizona and the other 45% of the children who are coming to Arizona from another state.

DCS ICPC Office

Services include foster and adoptive home studies and the supervision of the placements approved by ICPC for children residing in a state other than their state of jurisdiction. ICPC also approves the placement of children in residential treatment facilities outside of the child's state of jurisdiction.

The ICPC Office also facilitates services and communication with the Interstate Compact for Juveniles (ICJ). When a child is in DCS care due to runaway status from another state, DCS must coordinate with the Interstate Compact for Juveniles (ICJ) in order to return the child to their home state.

In addition, the ICPC Office facilitates a connection to International Social Services, which coordinates the placement of an Arizona child in another country.

There are five (5) FTEs (Full-Time Employees) in the ICPC Office. This includes the ICPC Administrator, two (2) ICPC Coordinators, and two (2) administrative assistants. In addition, DCS has three (3) statewide contracts in place with agencies to conduct home studies and provide supervision for children placed in Arizona from another state. This office is responsible for the following functions:

- Interpret and provide support to internal and external stakeholders regarding the Interstate Compact and Placement of Children (ICPC).
- Develop policies, procedures, forms and booklets relating to compliance with ICPC regulations.
- Evaluate and make determinations on ICPC applications for placements to/from Arizona of foster children or adoptive children.
- Ensure compliance with ICPC law through monitoring case actions and progress.
- Communicate and problem solve with other state ICPC administrations.
- Provide technical assistance and educational training to attorneys, private child welfare and adoption agency staff, and DCS staff.
- Ensures that DCS and contracted vendors follow the ICPC protocols.
- Coordinates, develops, and identifies training activities for DCS staff.

Funding

Funding for Arizona's ICPC Program is approximately \$2.4 million annually. The funding source is both state General Fund and Federal funds. This funding includes ICPC operations (staffing, supplies, overhead, etc.) and contracted services. There are no fees charged between Compact States. However, there is an annual fee to the state of Arizona of \$2,000.00 to participate in the national ICPC and an additional \$25,000.00 to participate with the national electronic system known as the "National Electronic Interstate Compact Enterprise (NEICE)". This electronic system allows for a quick and secure exchange of data and documents between states.

9. <u>Has the agency received any business competitiveness analyses of the rules?</u> Yes ____ No _X__

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

This is the first review of the rules in Title 21, Chapter 5 Article 1. The rules in this Article were made by final exempt rulemaking, published in 21 A.A.R. 2979 on November 27, 2015 and became effective on January 2, 2016.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. Any costs related to the implementation of these rules are associated with running and monitoring the operations of the program. It is the Department's belief that any costs associated with the rules are offset by the greater benefit of partnering with other states in the placement of children outside their state's jurisdiction and ensuring the children's safety and protection. The purpose of ICPC is to place children with relatives, kin, or caregivers who are safe, suitable and able to meet the child's needs.

- 12. Are the rules more stringent than corresponding federal laws?

 Yes ____ No _X__
 - Federal laws 42 U.S.C. 622, U.S.C. 671, U.S.C 675, and U.S.C. 5113 apply to the rules of this Article. The rules in this Article are not more stringent than federal law.
- 13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

The Department has determined that A.R.S. § 41-1037 does not apply to these rules. The rules in this Article do not require the issuance of a regulatory permit, license, or agency authorization.

14. Proposed course of action

The Department has reviewed the current rules and does not plan any rulemaking activity for these rules at this time.

3. Are the rules effective in achieving their objectives?

Yes _X__ No ___

4. Are the rules consistent with other rules and statutes?

Yes ____ No <u>X</u>_

Rule	Explanation
R21-5-421.	R21-5-421 (1) states that entity must provide the court with documents and information at
Finalizing the	least 14 days before the final adoption hearing. This does not comply with A.R.S. § 8-112
Placement	(A) which states that a social study must be submitted to the court ten days before the
	hearing on the petition to adopt. DCS currently follows the statute requirements.

5. Are the rules enforced as written?

Yes ___ No _X_

Rule	Explanation
R21-5-421.	As identified in #4 above, rule is not consistent with statute. DCS follows the statute
Finalizing the	requirements.
Placement	

6. Are the rules clear, concise, and understandable? Yes _X__ No __

7. Has the agency received written criticisms of the rules within the last five years?

Yes ___ No _X_

8. **Economic, small business, and consumer impact comparison:**

The Department adopted rules in Title 21, Chapter 5, Articles 3 and 4 under its own title (Title 21. Child Safety) on January 24, 2016. There were no economic, small business and consumer impact statements prepared as part of the exempt rulemaking.

The Department of Child Safety is the state agency that provides child welfare services, which includes adoption services, and is authorized by Arizona Revised Statutes to promote the placement of children in permanent adoptive homes. The Department provides adoption services, contracts with private agencies to recruit adoptive homes, and licenses adoption agencies (Title 21, Chapter 9) in Arizona. The goal of adoption services is to place children with qualified adoptive parents in a permanent adoptive home.

Article 3 provides information pertaining to the services provided by the Department. Article 4 speaks to the responsibility of adoption entities.

As of January 31, 2020, there were 13,298 children ages zero to seventeen in out-of-home care. Of these children, 2,649 had a case plan goal of adoption.

The Department provides an array of accessible and individualized services designed to support permanency and adoption of children in the care of DCS. The Department directly or through contracts with private agencies provides the following adoption services:

- Recruits prospective adoptive parents.
- Informs persons interested in adopting a child about the adoption process.
- Conducts certification investigations of prospective adoptive parents.
- Takes adoption consents from birth parents.
- Prepares non-identifying, preplacement information on adoptive children for adoptive parents.
- Submits the names and profiles of adoptable children and certified adoptive parents for listing in the Central Adoption Registry.
- Prepares children for adoptive placement.
- Matches adoptable children with certified adoptive parents.
- Places adoptable children in the homes of certified adoptive parents.
- Investigates and reports to the court on the suitability of particular placements.
- Conducts social studies and preparing final reports to the court.

Assists attorneys and families to complete the adoption process.

Adoption services provided by the Department are not assigned to specialized units; therefore, the number of employees dedicated to provide services under Article 3 is not available. The Department licenses approximately 17 private adoption agencies. Additionally, the Department contracts with 26 agencies to provide foster and adoption support services through DCS.

Funding for adoption services in FY 2019

- For adoption certification, the Department has expended \$563,675. This is funded by Title IV-E federal funds and State General Funds.
- For adoption promotion, the Department has expended \$278,208. This is funded by Title IV-B part II federal funds and State General Funds.
- For child specific recruitment, the Department as expended \$892,500. This is funded by Title IV-E federal funds and State General Funds.
- 9. <u>Has the agency received any business competitiveness analyses of the rules?</u> Yes ____ No _X_
- Has the agency completed the course of action indicated in the agency's previous five-year-review report?

 This is the first review of the rules in Title 21, Chapter 5 Articles 3 and 4. The rules in these Articles were made by final exempt rulemaking, published in 21 A.A.R. 3255 on December 18, 2015 and became effective on January 24, 2016.
- 11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. Article 3 pertains to services provided by the Department. Article 4 pertains to the services provided by adoption entities. It is the belief that any cost associated with the rules are offset by the greater benefit of ensuring the safety and protection of Arizona children while seeking a permanent adoptive home for them.

12. Are the rules more stringent than corresponding federal laws? Yes No X

Federal laws that apply to the rules of this Article includes the following: Adoption and Safe Families Act

(ASFA) (P.L. 105-89); Adam Walsh Child Protection and Safety Act (P.L. 109-248); Adoption Promotion Act

2003 (P.L. 108-145); and Keeping Children and Families Safe Act 2003 (P.L. 108-36). The rules in these Articles are not more stringent than federal law.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

The Department has determined that A.R.S. 41-1037 does not apply to these rules because these rules do not require the issuance of a regulatory permit, license, or agency authorization.

14. **Proposed course of action**

The Department plans to request a moratorium exemption from the Governor's Office in accordance with Executive Order 2020-02 and to amend rules to address the concerns identified in this five-year-review report. The Department plans to complete and submit rulemaking for Council's review by December 2020.

Five-Year-Review Report Title 21. Child Safety

Chapter 5. Department of Child Safety - Permanency and Support Services

Article 5. Adoption Subsidy

June 2020

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. §§ 8-141 through 8-145 and §§ 8-161 through 8-166

2. The objective of each rule:

Rule	Objective
R21-5-501.	The objective of this rule is to provide definitions for terms used throughout the rules.
Definitions	
R21-5-502.	The objective of this rule is detail the eligibility criteria in order for a child to receive

	Chapter 1, Article 3.
R21-5-514.	The purpose of this rule is to inform that the Department follows federal and state
Confidentiality	confidentiality laws.

3. Are the rules effective in achieving their objectives?

Yes <u>X</u> No ___

4. Are the rules consistent with other rules and statutes?

Yes ____ No _<u>X</u>_

Rule	Explanation
R21-5-502.	In 2019, A.R.S. § 8-144 changed to expand eligibility criteria for adoption subsidy.
Eligibility Criteria	Eligibility Criteria in R21-5-502(C)(1) needs to be expanded to include children who
	may now meet the eligibility criteria to receive adoption subsidy services.
R21-5-510. Annual	In 2018, A.R.S. § 8-144 changed the review requirement of adoption subsidy from
Review; Reporting	annual to periodic reviews. The section title and R21-5-510(A) need to be updated to
Change	reflect the statutory change.
R21-5-511.	In 2019, A.R.S. § 8-144 changed eligibility and allows children to continue receiving
Termination of	adoption subsidy past high school graduation if they were adopted at age 16 or 17 and
Adoption Subsidy	meet the criteria established in statute. This section needs to be amended to include the
	statutory changes.

5. Are the rules enforced as written?

Yes ____ No <u>X</u>_

Rule	Explanation
R21-5-510. Annual	As mentioned in #4 above, Arizona Revised Statute changed in 2018. The Department
Review; Reporting	currently follows statutory requirements and proposes to conduct rulemaking to update
Change	the rules.

R21-5-511.	As mentioned in #4 above, Arizona Revised Statute changed in 2019. The Department
Termination of	currently follows statutory requirements and proposes to conduct rulemaking to update
Adoption Subsidy	the rules.

6. Are the rules clear, concise, and understandable?

Yes	No	\mathbf{X}

Rule	Explanation
R21-5-502.	The Department plans to amend rules in R21-5-502 C.1. to include statutory updates.
Eligibility Criteria	As mentioned in #4 of this report, in 2019 Arizona Revised Statute § 8-144 changed to
	expand eligibility criteria for adoption subsidy.
R21-5-510. Annual	The Department plans to amend the section title and R21-5-510(A) to reflect the
Review; Reporting	statutory change from an "Annual Review" to a "Periodic Review". As mentioned in
Change	#4 of this report, in 2018 Arizona Revised Statute changed this requirement.
R21-5-511.	The Department plans to amend this section by adding language to reflect statutory
Termination of	change in which the eligibility criteria changed to allow children to continue receiving
Adoption Subsidy	adoption subsidy past high school graduation if they were adopted at age 16 or 17 and
	meet the eligibility criteria set in statute.

7. <u>Has the agency received written criticisms of the rules within the last five years?</u> Yes ____ No _X_

8. <u>Economic, small business, and consumer impact comparison:</u>

The Department adopted the rules in Title 21, Chapter 5, Article 5 under its own title (Title 21. Child Safety) on January 24, 2016. There was no economic, small business and consumer impact statements prepared as part of the exempt rulemaking.

Adoption Assistance in Arizona is provided for special needs children, as defined by A.R.S. § 8-141(A)(14), who are adopted in the State of Arizona. Adoption assistance services provide the following:

- Medical coverage through AHCCCS or the state's Medicaid plan when child resides in another state.
- Nonrecurring expenses (one-time expenses) to cover necessary legal expenses related to adoption of the child.
- Monthly maintenance payments to adoptive parents to assist with covering expenses related to child's special needs.
- Special services subsidy to cover medically necessary services that are not available through any other community resource.
- Case management and advocacy for children receiving adoption subsidy.

In calendar year 2019, approximately 34,202 children received adoption subsidy services. This number includes an additional 1,975 children who were adopted and began receiving adoption subsidy services. Also in 2019, approximately 1,473 children exited the adoption subsidy program primarily due to reaching the maximum age for receiving adoption subsidy services.

The Department's Subsidy Unit is responsible for processing, reviewing, and monitoring the adoption subsidy program as well as the guardian subsidy program, which is not subject to the rules of this report. Due to the Department's organizational structure, costs associated with the adoption subsidy program is not readily quantifiable. The program is administered by the Assistant Director for Foster Care and Post Permanency Supports. The Subsidy Program is staffed with 37 full-time employees, consisting of one (1) Manager, four (4) Supervisors, 21 Subsidy Specialists, six (6) support staff, two (2) Behavioral Health Specialists, and three (3) Eligibility Specialists. This staff is responsible for the following adoption subsidy functions:

- Processes applications for adoption subsidy and work with DCS Specialists and clients when applications
 are incomplete or may include inaccurate information.
- Reviews applications to determine eligibility.
- Notifies applicants of approval or denial of application.
- Creates and enters information onto the DCS electronic database system.
- Processes referrals to the Arizona Health Care Cost Containment System (AHCCCS) when child lives in Arizona and the child is eligible.
- Processes referrals to Interstate Compact on Adoption and Medical Assistance (ICAMA) when the adopted child lives in another state and may be eligible for Medicaid in that state.
- Assists families and children who are also receiving services through other state or federal programs, such
 as the Arizona Long Term Care System (ALTCS), DES Division of Developmental Disability (DDD),
 private insurance, and the educational system.
- Advocates for the child when managing the Behavioral Health services, as necessary.
- Coordinates payment for non-recurring expenses.
- Conducts periodic reviews of adoption subsidy cases based on a questionnaire mailed to parents.
- Reviews reports and determines if any updates to services are necessary.
- Coordinates with the educational system when the child receiving services has reached 18 years of age and continues to receive services from the educational system.
- Ensures continuity of adoption subsidy and services when status of care with the adoptive parent changes.
- Reviews and closes adoption subsidy and services as appropriate.
- Provides technical assistance to DCS staff, attorneys, adoptive parents, and external stakeholders to
 ensure children achieve permanency.

Funding for adoption subsidy

The funding source for adoption subsidy services is provided through Title IV-E Adoption, Adoption Incentive, TANF and from General State Funds for children who are not Title IV-E eligible. The funding sources for Non-recurring Adoption Expenses and Home Recruitment Expenses are a combination of Title IV-E Adoption, Promoting Safe and Stable Families: Title IV-B, Subpart 2, and General State funds.

FY 19 Adoption Expenses

Maintenance Subsidy	\$ 232,347,262
Special Services Subsidy	\$ 676,484
Non-Recurring Expenses	\$ 4,413,073
Home Recruitment Expenses	\$ 1,210,160

- 9. <u>Has the agency received any business competitiveness analyses of the rules?</u> Yes ____ No _X_
- Has the agency completed the course of action indicated in the agency's previous five-year-review report? This is the first review of the rules in Title 21, Chapter 5 Article 5. The rules in this Article were made by final exempt rulemaking, published in 21 A.A.R. 3255 on December 18, 2015 and became effective on January 24, 2016.
- 11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. This Article pertains to the adoption subsidy program provided by the Department. This Article provides information and guidelines on the requirements on who is eligible to receive adoption subsidy services, as well as the criteria for continuing to receive adoption subsidy services and the circumstances for when to terminate adoption subsidy services. The Department bears the cost associated with the rules in this Article. However, as mentioned in #8 of this report, the Department also receives Federal Funds for the provision of adoption subsidy services for children who are Title IV-E eligible. Additionally, the rules support better outcomes for youth by establishing permanent connections, supports through early adulthood, and lasting supports that reduce impacts to other systemic issues is a cost benefit. The benefit of these rules is to provide better outcomes for children and to ensure that they do not languish in the child welfare system, which could have potential negative impact to their well-being if permanency is not achieved. In addition, the State is able to draw

down federal dollars based on their federal participation through the IV-E program to ensure that children are able to achieve permanency in safe homes.

12. Are the rules more stringent than corresponding federal laws?

Yes ___ No _X_

The rules are not more stringent than corresponding federal laws. Federal laws that apply to these rules are: 42 U.S.C. § 473 and 42 U.S.C. § 673.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

The Department has determined that A.R.S. § 41-1037 does not apply to these rules because these rules do not require the issuance of a regulatory permit, license, or agency authorization.

14. Proposed course of action

The Department plans to request a moratorium exemption from the Governor's Office in accordance with Executive Order 2020-02 and to amend rules to address the concerns identified in this five-year-review report. The Department plans to complete and submit rulemaking for Council's review by December 2020.

Fingerprint Clearance Card	

3. Are the rules effective in achieving their objectives?

Yes <u>X</u> No ___

4. Are the rules consistent with other rules and statutes?

Yes ____ No <u>X</u>_

Rule	Explanation
R21-1-401,	In 2019, A.R.S. § 46-141 was amended. As a result, all but one Section of this Article
R21-1-403	should be updated. One of the statutory changes in A.R.S. § 46-141, for example, now
through	requires all employees of a residential group care facility to comply with fingerprinting
R21-1-406	and obtain a fingerprint clearance card. Additionally, specific references to statute should
	be updated. An example of a reference that should be updated is rule references A.R.S. §
	46-141 (I) which is now be A.R.S. § 46-141 (J).

5. Are the rules enforced as written?

Yes ___ No <u>X</u>_

Rule	Explanation
R21-1-401,	As mentioned in #4, Arizona Revised Statute § 46-141 was amended in 2019. Five of the
R21-1-403	six Sections in this Article need to be updated to reflect the statutory changes. The
through	Department currently follows statutory requirements and proposes to conduct rulemaking
R21-1-406	to update the rules.

6. Are the rules clear, concise, and understandable?

Yes _ _ _ No <u>X</u>_

Rule	Explanation
R21-1-401,	The rules in these Sections need to be clarified in order for the agencies to have a clear
R21-1-403	understanding of what is required and expected of them regarding fingerprinting and the
through	Level One fingerprint clearance card. The Department proposes to conduct rulemaking to
R21-1-406	update the rules because, as mentioned in #4 of this report, Arizona Revised Statute § 46-
	141 was amended in 2019. The Department currently follows statutory requirements.

7. <u>Has the agency received written criticisms of the rules within the last five years?</u> Yes <u>X</u> No __

During the Department's exempt rulemaking process in 2015, the Department received the following comments: Clarify the term criminal background check versus obtaining a valid Level One fingerprint clearance card; and describe any work a new hire may perform pending the issue of a valid Level One fingerprint clearance card. The Department reviewed and incorporated comments where applicable in the final rule package.

8. <u>Economic, small business, and consumer impact comparison:</u>

The Department adopted the rules in Title 21, Chapter 1, Article 4 under its own title (Title 21, Child Safety) on November 30, 2015. There was no economic, small business and consumer impact statements prepared as part of the exempt rulemaking.

The cost associated with the requirements in the rules in Article 4, Fingerprinting are directed by A.R.S. § 46-141. The rules in Article 4 do not have an additional economic impact on the Department, consumers, or small businesses from those already imposed as a result of the Arizona Revised Statute. The rules in Article 4 are applicable to agencies or persons who apply for license or contract with the Department. However, the rules in Article 4 are not applicable to foster home licensing requirements or for adoption certifications. The Department of Public Safety (DPS) currently contracts with the vendor, Thales Gelmato, for fingerprinting. The vendor then forwards the digital fingerprints to DPS who completes the criminal background check. Thales Gelmato provides an online portal where consumers can register to apply for a background check, pay for the cost, find locations where their fingerprints can be taken, and check their fingerprint application status.

The Office of Licensing and Regulation (OLR), a unit within the Department, verifies that licensed agencies and their employees are compliant and remain compliant with these rules and statute. OLR also receives notification when a person's Level One fingerprint clearance card has been denied, suspended, or revoked. OLR notifies and coordinates with agencies when a licensee's or employee of the licensee's fingerprint clearance card has been denied, suspended, or revoked. The Department's Office of Procurement and Contracts verifies that a contractor with the Department is compliant and remains compliant with these rules and statutes. The Department also has established the Fidelity and Compliance Services (FCS) unit within the Office of Procurement and Contracts that routinely conducts provider site visits to audit provider personnel files including the review of central registry background checks and Level One fingerprint clearance card checks.

The Department does not charge a fee for monitoring compliance with this Article and does not pay or reimburse for the cost associated with compliance with this Article. The vendor, Thales Gelmato, charges the applicant a fee associated with fingerprinting and the Arizona Level One fingerprint clearance card. Depending on the services the agency or contractor is providing, either some or all agency employees must be fingerprinted and hold a valid Arizona Level One fingerprint clearance card. Agencies take different approaches to managing payment; there are some agencies that cover the cost for their employees while others make it the responsibility of the employee or those applying for a job with the agency.

The Department believes the rules support statute and provide further guidance. The Department also believes that the rules do not add a burden of cost to those already a result of the statutory requirement.

9. Has the agency received any business competitiveness analyses of the rules? Yes No X

- 10. <u>Has the agency completed the course of action indicated in the agency's previous five-year-review report?</u>
 This is the first review of the rules in Title 21, Chapter 1 Article 4. The rules in this Article were made by final exempt rulemaking and became effective on November 30, 2015.
- 11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes of the rule outweigh the probable costs of the rule. The rules in the Article 4 support and provide further guidance on the requirements already set by Arizona Revised Statute.

- 12. <u>Are the rules more stringent than corresponding federal laws?</u>
 42 U.S.C. § 671. The rules are not more stringent than federal law.
- 13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

The Department has determined that A.R.S. § 41-1037 does not apply to these rules because these rules do not require the issuance of a regulatory permit, license, or agency authorization.

14. Proposed course of action

The Department plans to request a moratorium exemption from the Governor's Office in accordance with Executive Order 2020-02 and to amend rules to address the concerns identified in this five-year-review report. The Department plans to complete and submit rulemaking for Council's review by July 2021.

Five-Year-Review Report

Title 21. Child Safety

Chapter 9. Department of Child Safety - Adoption Agency Licensing

Article 1. Definitions

Article 2. Adoption Agency Licensing Requirements

October 2020

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. §§ 8-120, 8-121, 8-126, 8-127, 8-129, 8-130, 8-132, 8-134, and 46-141

2. The objective of each rule:

R21-9-240. International Adoptions	The objective of this rule is to establish the requirements in regards to international adoptions.	

3. Are the rules effective in achieving their objectives?

Yes <u>X</u> No ___

4. Are the rules consistent with other rules and statutes?

Yes ____ No _<u>X</u>_

Rule	Explanation
R21-9-207	In 2019 A.R.S. § 46-141 amended the fingerprint and Level One fingerprint clearance
	card requirements to include a person licensed by the Department or employed by the
	licensee. The rule needs to be updated to reflect the amended statute.
R21-9-224	R21-9-224 (E) includes a weight criteria for use of the child restraint system that is not a
	criteria under A.R.S. § 28-907. Also, R21-9-224 (E)(3)(b) applies the child restraint
	system criteria to children ages five to eight years old; whereas A.R.S. § 28-907 B. refers
	to children ages at least five years and under eight years old. The rule needs to be updated
	to reflect statutory requirements.

5. Are the rules enforced as written?

Yes ___ No _<u>X</u>_

Rule	Explanation
R21-9-207	As mentioned in #4 of this report, A.R.S. § 46-141 was amended in 2019. The
	Department currently follows statutory requirements and proposes to conduct rulemaking
	to update the rules.

R21-9-224	As mentioned in #4 of this report, the rules in this R21-9-224 (E) are not consistent with
	A.R.S. § 28-907. The Department currently enforces the statute requirements and
	proposes to amend rules to align with statute.

6. Are the rules clear, concise, and understandable?

Yes	No	\mathbf{X}

Rule	Explanation
R21-9-202	The rules in R21-9-202 (B)(2)(c) need to clarify that an applicant who held a license
	within three years prior to the current application or holds a license in another state needs
	to comply with the requirements of this rule. Also, R21-9-202 B (9)(b) should include
	reference to statute, A.R.S. § 8-132, as the statute outlines further expectations.
R21-9-205	The rules R21-9-205 (A)(4) should include that an adoption agency applicant must
	disclose any adoption agency licenses held in another state.
R21-9-207	The rules in this Section need to be updated to include statutory changes as mentioned in
	#5 of this report.
R21-9-214	The rules in R21-9-214 (B)(4) need to clarify that an adoption agency's new hire must
	complete an authorization form to allow the adoption agency to complete a Central
	Registry background check.
R21-9-224	The rules in R21-9-224 (E) should reference that an adoption agency must comply with
	child safety restraint systems as prescribed in A.R.S. § 28-907. As mentioned in #4 and
	#5 of this report, R21-9-224 (E) is not consistent with statute.
R21-9-228	The rules in R21-9-228 (A)(1) need to clarify that an adoption agency is expected to
	report any suspicion of child abuse or neglect in accordance with A.R.S. § 13-3620.
R21-9-229	The rules in R21-9-229 (A) should refer to A.R.S. § 8-120 which clearly outlines the
	requirements the adoption agency must comply with when closing.
R21-9-233	The rules in R21-9-233 (B)(1) need to clarify that monitoring visits by OLR are not
	limited to one announced and one unannounced onsite inspection.

7. <u>Has the agency received written criticisms of the rules within the last five years?</u> Yes <u>X</u> No ___

During the Department's exempt rulemaking process in 2015, the Department held a couple of public hearings where attendees were provided the opportunity to provide oral or written comments. Comments were received at the public hearings, on-line, and by U.S. mail. Examples of the comments included requests for greater flexibility and clarification of educational and certification requirements for staff, and suggestions for improved language concerning renewal of licenses and the conditions of written agreements with birth parents. The Department held a meeting with stakeholders to obtain clarification on and in support of their comments. The Department incorporated their comments where applicable into the final rule.

The fees covered in Article 2 were re-established in 2018. At the time of this rulemaking the Department did not receive any comments.

8. <u>Economic, small business, and consumer impact comparison:</u>

Title 21, Chapter 9, Articles 1 and 2 pertain to the licensure and operation of adoption agencies. A.R.S. § 41-1008 states that a fee established under an exempt rule making is effective for two years. A.R.S. § 8-126 grants the Department specific authority to charge fees for agency licensing and renewal. In 2018, the Department conducted regular rulemaking to re-establish the fees in Article 2. The Department charges an adoption agency a fee at the time of initial and renewal application. Adoption agencies assist in finding permanent homes for children in foster care and provide private adoption services (domestically and/or internationally).

The cost bearers and beneficiaries from rules in Chapter 9 include: Adoption Agencies; the Department of Child Safety; children in out-of-home care through the Department of Child Safety; the community at large. The Office of Licensing and Regulation (OLR) is a program unit within the Department of Child Safety and continues to be charged with the responsibilities that pertain to Title 21, Chapter 9. The Department does not anticipate allotting any new full-time employee positions or making changes to those currently allotted. The Department continues to believe that the current staffing and organization is adequate to implement and enforce the rules. There are no political subdivisions affected by these rules.

Agencies

Chapter 9 contains rules pertaining to licensure and operation of adoption agencies. During the 2019 calendar year, the Department did not process or issue any initial license; however, it did process and issue 19 renewal licenses, and one amended license under Chapter 9. Additionally, one adoption agency closed in the 2019 calendar year. There are no fees associated with amending or closing a license. As of September 1, 2020 there were 18 adoption agencies licensed by OLR. Of these, only five adoption agencies are also contracted with the Department to provide adoption services for children who are in the care and custody of the Department.

Department

OLR's organization and functions pertaining to processing and licensing adoption agencies remain the same as stated in the 2018 economic, small business and consumer impact statement. Costs associated with enforcement of these rules is not readily quantifiable due to the OLR's organization.

Funding for the operation of OLR is appropriated annually.

9. Has the agency received any business competitiveness analyses of the rules? Yes No X

- 10. <u>Has the agency completed the course of action indicated in the agency's previous five-year-review report?</u>
 This is the first review of the rules in Title 21, Chapter 9 Articles 1 and 2. The rules in this Article were made by final exempt rulemaking and became effective on January 24, 2016.
- 11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. These Articles pertain to the licensing and monitoring of adoption agencies. The rules provide the process, guidelines, and expectations when a person(s) wants to apply and maintain an adoption agency license. The Department charges a minimal fee when a person(s) applies for a license as an adoption agency. The fee for an initial application is \$400 whereas the fee for reapplying for licensure is \$225 annually. These fees have not changed nor have been increased in over 20 years. The licensed adoption agencies provide adoption services to birth parents, adoptive parents, and children up for adoption both locally and/or internationally.

- 12. Are the rules more stringent than corresponding federal laws?

 42 U.S.C. 671. The rules are not more stringent than federal law.
- 13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Agencies providing adoption services are required to be licensed. Adoption agency licenses are exempt under A.R.S. § 41-1037 and do not require a general permit.

14. Proposed course of action

The Department plans to request a moratorium exemption from the Governor's Office in accordance with Executive Order 2020-02 and to amend rules to address the concerns identified in this five-year-review report. The Department plans to complete and submit rulemaking for Council's review by September 2021.
