FAS Provider Training Calendar 2023
July 2023 – September 2023

Course: Foster Parent College Training of the Trainer (FPC TTT)

Foster Parent College is the mandatory training required for potential caregivers in Arizona wishing to become a licensed foster parent. The 2-day Foster Parent College (FPC) Train the Trainer (TTT) course familiarizes Foster and Adoption Support agency trainers with the course flow and content of FPC. This course does not contain an instructor development component. Agency trainers must have prior experience delivering formal training before taking the FPC TTT course. Agency trainers will be expected to take notes or clarify materials as needed, to prepare them to present the FPC training in their own agency setting. At the conclusion of the FPC TTT course, agency trainers will be provided access to the FPC training materials. Only those attendees who successfully attend and complete the FPC TTT are authorized to train the FPC materials.

Below find upcoming FPC TTT sessions scheduled. <mark>Contact your agency for instructions on how to register for a course session.</mark>

- August 3rd & 4th, Thursday & Friday
  8:30am – 4:30pm
  In person training in Phoenix. Location TBD

Course: Therapeutic Foster Care (TFC)

DCS Therapeutic Foster Care Training is required for potential caregivers in Arizona wishing to become a licensed therapeutic foster care caregiver. The course is 20 hours divided into 6 domains.   FAS Agencies submit a [DCS Therapeutic Foster Care Training Request Form](#) explaining why they are recommending a caregiver take the TFC training. DCS notifies the agency if the caregiver is approved to take the course or not. Once approved. <mark>*The caregiver and the agency licensing worker are provided instructions on how to register for a course session in TraCorp.*</mark>

Below find upcoming TFC Trainings scheduled. **All TFC sessions are held virtually.**
