Fit and Feasibility Criteria

- Is it a good fit with our target populations?
- Does it align with our practice framework and values?
- Will we be able to hire qualified staff to deliver?
- Can we create independent AZ training capacity?
- What is the evidence-base (FFPSA)?
- What does it cost?
- Will we be able to monitor fidelity and outcomes easily?
- Is it operationally easy to implement?
How will the experience of families change?

Prevent entries into out-of-home care

Increase rates of reunification

Prevent re-entry among children who reunify

Impact disproportionate entry rates for Black and American Indian children
