

Behavioral Health Services for Children in Out-of-Home Care

Arizona Health Care Cost Containment System (AHCCCS) is committed to ensuring the availability of timely, quality health care for foster children, including behavioral health services through our three contracted regional behavioral health authorities (RBHAs) and the Children’s Rehabilitative Services Program (CRS). If you experience any difficulty accessing needed behavioral health services or have any concerns regarding the quality of those services, we encourage you to contact the RBHA or CRS in your area using the contact information below.
