CPS had received two prior reports involving Nathanael by Amber Rumley and Stuart Holleman. This report was investigated and was unsubstantiated once a physician indicated the injury could have resulted from a fall from the top bunk. The second report included allegations of neglect of Nathanael by Amber and Stuart. This report was in the process of being investigated when the current incident was reported. The allegations of neglect in the second report were unsubstantiated upon the completion of that investigation.

CPS completed a joint investigation with the Prescott Valley Police Department.

**3. Whether the agency is or intends to provide direct services or service referrals to the family:**

Services were not provided to the family as the non-custodial parents of the other children in the home obtained legal custody of them.
