DCS Advisory Committee—Committee Member Sector Engagement in Multisystem Coordination/Communication in Support of DCS Strategic Plan for 2018

Sector	Goals	Performance Measure	Methodology	Notes
CASA	1 & 2	IVIEdSULE	Support /expand DCS Family Finding with focus on legal orphans	
Provider 1	1&2		Implement practices of prevention, early intervention and targeted permanency	
Provider 2	1&2		Work to stabilize children at higher levels of care. HCTC homes-examine disruptions Schools and outsourced placements -Specialty placements/assess to increase stability	
Faith based	4 & 5		4- Expand Care Portal as part of preventive efforts 5-Communicate and promote foster family recruitment	
Education	7		Improve supports to kinship and foster families. Schools need lists of kinship families. DCS provide information on resources and supports for kinship families so schools can inform them of resources	
Advocacy	3&4		Serve as connecting point to support caregiver families	
Courts	1		Will work to improve communication with DCS on changing processes	
Foster Parents	2		Provide support for kinship families including tribal kinship and informal kinship placements. Want link on DCS website for schools.	
For foster children			Improve communication re: post- secondary supports for foster children to foster children, caregivers and schools
